

Mrs Simpson's Sizzling Spotlight

Art Show

This week's sizzling spotlight is all about our **Art Show**. Held annually in week 10, term 3 to coincide with our parent teacher interviews and Under 8's, our Art Show is a spectacular feast for the eyes.

Located in the Mareeba SS Library, the Art Show (exhibition) is offi-

cially opened on Monday at 2pm with families and special guests invited. Running from Monday to Thursday inclusive, the art show is open to families for viewing from 8:30am each morning and late on Monday and Tuesday afternoon for families attending parent teacher interviews. The Art Show is on display Thursday morning during our Under 8's Day morning and will officially close at 12pm Thursday.

Our Art Show provides an opportunity for our creative students to shine. Every student from each class submits a piece of art work for the show, with some students bringing in pieces created at home.

This year, our students have worked tirelessly during their Art lessons to create a variety of art pieces using different mediums including paint, crayon, clay, collage and even a 'glow-in-the-dark' section.
