

Mrs Simpson's Sizzling Spotlight

Respect & Collect Pop-Up Shop

This week's sizzling spotlight is all about my **Respect & Collect 'Pop-Up Shop'**. As part of our positive rewards for learning, the students at Mareeba SS earn Pay Ways when they are following and demonstrating our school expectations - I Respect **Learning**, I Respect **Safety**, I Respect **Me & You**. Students are able to 'bank' these Pay Ways and use these to purchase through our school Respect & Collect system.

This week, I have held a 'pop-up' shop in each of the playground areas at first break, offering students the opportunity to bank their Pay Ways and spend their banked tokens for an instant prize.

Over the week we had **over 130 students** from across Prep – Year 6 purchase prizes from the Pop-Up shop with over **3000 Pay Ways cashed in!!!**

This is fantastic news for our school and a clear demonstration of the amazing standard our students set. Whilst not all students visited the Pop-Up shop, all classes will continue to Respect & Collect with weekly prizes rewarded to students at our Senior Parade (Monday morning) and Junior Parade (Friday morning).

A big shout out to Gemma Read, Allegra Sciani and Zach Marinelli for assisting in the stall every first lunch break.
