

# Mrs Simpson's Sizzling Spotlight

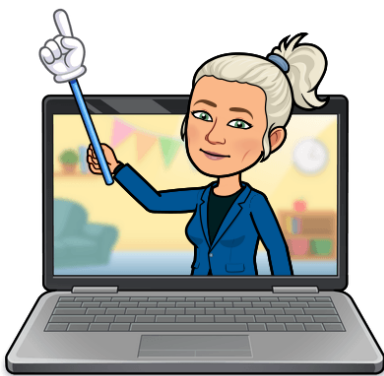

## School Opinion Survey

This week's Sizzling Spotlight is all about the **School Opinion Survey**. Each year, families, staff and Year 5 & 6 students at Mareeba SS are encouraged to complete a short 10-minute School Opinion Survey. This year, the School Opinion Survey is open between July 15th and 30th.

This survey is designed to collect the views from our school community identifying what we do well and how we can improve. Opinions from our staff about Mareeba SS as a workplace are also gathered. The responses from our families can shape better learning environments while our staff responses can be used to make our school a better workplace.

The responses from our staff and families will be strictly confidential and the information is used in ways which protect individual responses. All responses are protected by the [Information Privacy Act 2009 \(Qld\)](#).

### How can the survey be accessed?

**For our families** - an invitation to complete the survey will be emailed to one parent/caregiver per family (check the junk email folder as they can sometimes be there).

**For our Year 5 & 6 students** - an invitation to complete the survey will be emailed with each year 5 & 6 class given time to complete the survey during their computer lab time. Staff will help to read statements for students if they need help.

**For our staff** - an invitation to complete the survey will be emailed to 100% staff.

We thank our families, staff and students for taking the time to complete the survey and value the honest feedback. At Mareeba SS, we know feedback is the key to continued improvement. For more information, click [here](#) to read the school opinion survey FAQs.
