

Mrs Simpson's Sizzling Spotlight

Year 6 Camp

This week's Sizzling Spotlight is all about our **Year 6 Camp**. Held annually in Term 3, our Year 6 students are presented with the opportunity to attend the 4-day, 3-night outdoor education camp hosted by the Tinaroo Environmental Education Centre (TEEC). TEEC is an Education Queensland owned and operated centre, providing outdoor and environmental educational opportunities for students in Far North Queensland, on and around Lake Tinaroo, since 1987.

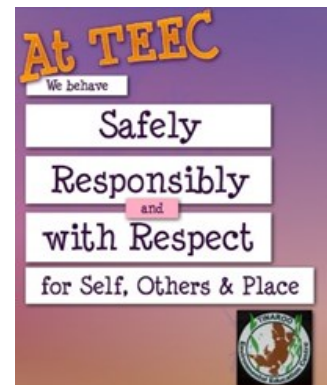

Offering a range of activities that focus on waste, water, energy and biodiversity, our Year 6 students engage in a range of camp activities whilst having fun and learning about staying safe, being active and environmental impact. Our students also have the opportunity to demonstrate the 5 keys to success, **Confidence**, **Persistence**, **Organisation**, **Getting Along** and **Emotional Resilience to overcome fears and challenging activities**.

During the camp, students have the opportunity to participate in a number of activities including:

- Abseiling
- Canoeing
- Giant Swing
- Group Challenge Adventure Course
- High Ropes Course
- Camp Fire

Our annual camp also provides a valuable chance for students to further build their friendships and leadership skills before they embark on their next adventure - high school. If you want more information about the opportunities provided by TEEC, visit www.tinarooeec.eq.edu.au.
